- Lyon Air Museum, a premier Southern California showcase for vintage military aircraft and automobiles, monthly invites select car clubs such as ours to play host for a "Cars & Cockpits Day." These events are scheduled for the first Sunday of each month.

2011 has been a huge success and we have reserved April 1, 2012 for our 8's. The event takes place from **10:00 a.m. to 11:30** at **Lyon Air Museum**, located near John Wayne Airport in Orange County. The Museum address is: 19300 Ike Jones Rd, Santa Ana,

- **We must be there before the event starts roll-in time is 9:30 am. Please be on time.**

At 11:30 we will then drive to the **Crevier Classic Car Collection** then **lunch at Durty Nelly's** and if we like after lunch we can drive down the coast to view a private car collection not shown to the public.

At Lyon Air Museum our owners can compare our cars with the Museum's own stable of vintage luxury vehicles, including a 1939 Mercedes-Benz Model G4 Offener Touring Wagon (used by the Fuhrer himself), a 1947 V-12 Lincoln Continental Cabriolet, and a 1941 Cadillac Series 62 convertible sedan (originally owned by New York socialite Princess Diane Eristavi).

The 30,000-sq.ft Lyon Air Museum opened in Dec. 2009. The facility represents the fulfillment of a dream of Maj. Gen. William Lyon, USAF (Ret), who held the position of Chief of the U.S. Air Force Reserve from 1975 to 1979. Currently, Gen. Lyon is Chairman of the Board and CEO of William Lyon Homes, Inc., Newport Beach, Calif. His passion for aviation history and youth education is the driving force behind Lyon Air Museum. In establishing the museum, Gen. Lyon sought to create a world-class facility that would be available to the local community and would offer interactive educational exhibits designed to inspire young people. The Museum has on exhibit some of the world's rarest operational aircraft and vehicles.

## *SoCal 8's Message*

**As of March 10<sup>th</sup> we have 30! signed up for this event. Remember that Wife's and Significant other are absolutely welcome to attend.**

This plans to be bigger than the Cars & Coffee Meet we held in December and the Wenchfest in February. Our 8's will be the marquee event of the month at Lyon's Air Museum so shine them up and get them ready before April 1st. We will not be far from the next 2 stops so you won't want to miss Creviers Classic Cars is just blocks away from the Lyon Air Museum and Durty Nelly's is a short jaunt from Creviers. Durty Nelly's Pub & Restaurant is opening for lunch just for SoCal 8's. If possible Ralph Rodheim will lead us to a private collection of Mercedes Bens display not open to the public. If you would like to see the MBZ private collection, please email Ralph so he can have a head count at:

[Ralph@rodheimmarketing.com](mailto:Ralph@rodheimmarketing.com)

We will also have a short SoCal 8's meeting to discuss our next event in May in Temecula and also ask for suggestions for the remaining half of the year.

This is an event you won't want to miss. At Lyon's we will have a photo opportunity when we are all lined up so don't forget to bring your camera. JJ the photographer who took those great pictures of our Cars & Coffee meet there. His last pictures were posted in Eurotuner Magazine's blog

See you there!
